

The Florida United Methodist Foundation, Inc., administers two low-interest student loan programs exclusively for United Methodist students.

The Campbell Trust Student Loan Program is open to any full-time student attending a junior college, senior college, university or seminary or other institutions for educational or occupational training beyond the high school level.

First consideration goes to Florida residents attending institutions related to the United Methodist Church in Florida. Second consideration goes to Florida residents attending institutions related to the United Methodist Church outside of Florida. Other consideration will be given to Florida residents attending non-church-related institutions and, finally, to non-Florida residents attending church-related institutions. The amount of the loans granted will be dependent upon the funds available and upon the number of approved applicants. To request a copy of the loan program's provisions and to obtain an application form, please call the Foundation, toll-free at 1-866-363-9673, or send an email to: Foundation@fumf.org.

This may include pastors, directors of Christian education, children and youth counselors, teachers, youth coordinators and children and youth directors associated with Christian schools, local after school programs or camping ministries. Applicants must be full-time students attending a junior college, senior college, university or seminary or other institutions of higher education beyond high school.
